4.08 USE OF THE CLUB BY FAMILY MEMBERS AND CERTAIN FRIENDS

(a) Family and Friends: The Club is committed to providing a pleasant environment for spending quality time with family members. Each Equity Membership and Founding Social Membership is a family membership, which includes full membership, privileges for "immediate family" members comprising of spouses and unmarried children under the age of 24 who either live at home, attend school on a full-time basis, or serve in the military. The Club intends to provide programs and activities that are appealing to family members of all ages. Extended family members over the age of 23 who are staying in the Equity Member's or Founding Social Member's residence and registered at the Club, may use the Club Facilities unaccompanied by the Equity Member or Founding Social Member upon payment of any applicable user charges. Extended family may also use the Club's golf facilities upon payment of guest greens fees and cart fees. The "extended family" of an Equity Member or Founding Social Member shall include, along with the respective spouses, the parents, adult children who do not fall within the definition of immediate family, grandparents, grandchildren **and siblings.**

Having friends enjoy the Club's facilities is a wonderful attribute of membership in the Club. Guests are welcome at the Club at any time the Club is open, provided such guests are accompanied by the Equity Member or Founding Social Member, in accordance with and subject to the limitations provided in the General Club Rules adopted by the Club to preserve the exclusivity of its facilities. **Sponsored guests may use the Club Facilities unaccompanied by the Equity Member or Founding Social Member while the guests are staying in such member's residence as a houseguest, and registered at the Club by such member, upon payment of any applicable user charges.** Unaccompanied guests may also use the Club's golf facilities upon payment of guest greens fees and cart fees. The Club may restrict starting times for unaccompanied golf guests.

The same family, friends and guest privileges set forth above shall be applicable to a Primary Owner of Record and each Add-On Owner of Record.

The Club reserves the right to charge a registration fee per extended family member or houseguest while utilizing the Club unaccompanied. All fees are subject to change from time to time.
